YEAR 11 UPDATES

Dear Year 11 Parents,

It was lovely to see so many of you at the Coffee morning on September 11th and Parent Information Event on September 24th. We hope you left equipped to support your child throughout the rest of this year.

Please encourage your child to commit some time during the half term break to completing their personal statement and making decisions about which subjects to choose, where to study and the entry requirements for their potential place of study. I would recommend that pupils begin submitting their applications during the half term break, so that they do not need to do this during the PPE2 Mock period. Please remind your child that when they make their applications use the Admin@trinity.lewisham.sch.uk email address for the reference request section as the contact email – this email is checked every day in the school office.

A reminder that the best way to contact me is via my email address, e.adebanwo@trinity.lewisham.sch.uk.

Finally, can I ask that you continue to remind your child about the importance of their attendance and punctuality to school. This is crucial when making their Sixth Form/College application.

As always, if you have any questions or queries, please do not hesitate to email me.

Kind regards

Mr. E Adebanwo

October half term Revision: - Monday 26/10/26 to Friday 30/10/26

Our advice is during October half term they follow their normal school timetable, revising 3 subjects per day for 1 hour 30 minutes at a time. This would equate to 22.5 hours of revision across the week!

November PPE 2 Mock Exams:

The November PPE 2 timetable 9th Nov - 19th Nov 2026 can be viewed below along with revision instructions/tips and resources for each subject. **Please see the school's website for specific teachers' advice under the Exam & Revision tab.**

POST 16 UPDATES

Year 11 Post 16 Activities:

Colfe's School visited Trinity to speak to a group of our year 11 pupils about their post 16 offer. Colfe's School is a local co-educational independent school with a high achieving sixth form offering a range of A Level Subjects and BTEC Sports and Exercise Science. As well as post 16 subjects, pupils learned more about sixth form life at Colfe's, the range of extra curricula activities available and the scholarship and bursary opportunities on offer.
The presentation was followed by an engaging Q&A session with current student Deboroh, who spoke about her own experience joining Colfe's Sixth Form from another school, and gave advice on the application process. We also heard about three of our ex-pupils, Zeke, Jayden and Grant who joined Colfes Sixth Form on scholarships this year.

Shooters Hill Sixth Form College came to speak to our year 11 students about their post-16 offer. As well as learning about the range of courses and qualifications available including A levels, T levels and BTECs, students found out more about what it is like to study at Shooters Hill 6th Form and the application process. Pupils were also invited to attend the upcoming Shooters Hill College open events.

Bishop Justus, a popular local Church of England School visited Trinity to talk to our year 11 students about their Sixth Form. Our students learned about the sixth forms post 16 offer, including A Levels, BTEC's and V Levels, careers programme and post 18 destinations, as well as hearing form current sixth form students about studying at Bishops Justus.

Blackheath High Sixth Form visited Trinty to speak to a group of our year 11 pupils. Blackheath High is an independent girl's school with an all-girls Sixth Form that offers a bespoke Sixth Form curriculum including 26 different A-level subjects alongside the Extended Project qualification. Our students learned more about post 16 studies at Blackheath high and the scholarship and bursary opportunities on offer. Pupils were also invited to attend their up-coming open evening.

Year 11 Parent Information Evening. Trinity Secondary hosted the Year 11 Parent Information Evening. This is an important evening in the year 11 calendar, as all students must apply to colleges and sixth forms for their post 16 education, and it is vital they can make an informed choice. A broad range of post 16 providers attended, with many bringing ex Trinity Pupils as ambassadors, who are amazing role models for our current year 11. 28 representatives from local and popular school sixth forms, sixth form colleges and further education providers were on hand to talk about their post 16 offers.
During the evening, students and parents also attended a post 16 presentation to learn more about post 16 pathways, grade requirements and the importance of attending a range of open days. The event was well attended by both parents and students and proved to be a lively and very busty evening.

Upcoming Year 11 Post 16 Presentations:

- 23rd October – North Kent College
- 6th November – The John Roan School 6th Form
- 13th November - Haberdashers' Hatcham College 6th Form
- 11th December – Christ the King Sixth Form Colleges
- Bexley Grammar School 6th Form – Date to be confirmed

Post 16 – What Pupils Should be Doing NOW!

- All pupils should be choosing the subject(s) and qualifications they want to study and where they want to study after year 11.
- Researching schools, colleges, and training providers that offer the course(s) or subjects they want to study.
- Attending many open events – these are great opportunities to explore schools or colleges and find out more about the courses on offer and ask any questions you may have.
- Applying to their chosen 6th Forms or Colleges. We recommend pupils apply to at least five different post 16 destinations, so they have a range of options on GCSE results day. Pupils must check the entry requirements for their chosen course, making sure they have a backup plan.
