Art	ART Revision List	Plan PPE outcome for full day exam based on all the development so far. Gather further quality primary photos to inform the development of Architecture unit. Visit/ attend galleries when possible to increase cultural capital.
Sport Studies	SS Revision List Complete TASK 3 and 4 for unit R187	Resources are all on individual TEAMS file Complete coursework at home
Maths	In your next PPE you will sit a calculator and a non calculator paper. All topics can be assessed on both papers. You can find the formula sheet for higher and foundation here Foundation Higher To structure your revision, we recommend you use the following:	There are essential formula given to you on the formula sheet. You also need to know these formulae by heart: Pearson Formulae Poster GCSE 9-1 A4 printing (no formulae triangles).pptx You should be doing sparx independent learning every day at home. If there are questions you cannot do, watch the videos or ask your teacher to help you work through the topic. Try not to leave anything blank. Past papers are printed and available in the filing cabinet in M1. Past papers from the last two years can also be found on Maths genie, with handwritten and video solutions available, Past papers

	Higher Corbett Maths Ultimate revision, this is a 10hour video, so watch 15 mins a day. https://corbettmaths.com/2023/04/16/ultimate-higher-revision-video/ Maths genie; scroll down to the grade 4 – 9 topics. Do not ignore the grade 4 and 5 topics; marks can be easily missed on the crossover questions as pupils do not revise these topics, but they need to be secure: https://www.mathsgenie.co.uk/gcse.php 1st class Maths lists the most and least frequent topics assessed over the three papers. Start revising the high frequency topics. Each topic has a video, a set of past paper GCSE questions and pupil friendly answers. Make sure you are working through grades 4 -9 https://www.1stclassmaths.com/edexcelrevision Foundation Corbett Maths Ultimate revision, this is a 10hour video, so watch 15 mins a day. https://corbettmaths.com/2023/03/14/ultimate-foundation-revision-video/ Maths genie, scroll down to the grade 1-5 topics. Do not ignore the grade 1 and 2 topics , marks	You can come to M1 for help with these past papers or a quiet space to work, on a Monday after school.
--	--	---

	can be easily missed on the first couple of pages on the paper. Don't let this be you! https://www.mathsgenie.co.uk/gcse.php 1st class Maths lists the most and least frequent topics assessed over the three papers. Start revising the high frequency topics. Each topic has a video, a set of past paper GCSE questions and pupil friendly answers. Make sure you scroll down so that you are working through grades 1-5 https://www.1stclassmaths.com/edexcelrevision	
Science	Science Revision List Paper 1 topics for Biology, Chemistry & Physics https://www.aqa.org.uk/subjects/science/gcse/science-8464/specification/specification-at-a-glance	• Complete the past paper question homework given by your class teacher each week • Make use of Tassomai. Tassomai is AI based, therefore it generates its questions based on your strengths and weaknesses. • Seneca! Choose two subtopics a day to go through work on and aim to get at least 80% on it. • Look at a past paper question on Physics and maths tutor once a week. Try to attempt the question. If you struggle, then look at the mark scheme so you know what a model answer would look like for next time. • Ask your teachers in the science office for additional past papers • Make use of websites: BBC bitesize, Cognito, freescience lessons, PMT, Save my exams (and revision guides)
